

**FIRST PRESBYTERIAN CHURCH  
EARLY CHILDHOOD PROGRAM  
WELCOME TO ALL PARENTS**

Welcome to our center! We are excited to have you as a part of our family. At FIRST PRESBYTERIAN CHURCH - EARLY CHILDHOOD PROGRAM every child is important. Our program is academically rich and designed to promote your child's growth and development. Thank you for choosing FIRST PRESBYTERIAN CHURCH - EARLY CHILDHOOD PROGRAM for your child.

A transition into any new environment can be challenging and cause anxiety for any child or adult. Our staff is trained to be alert and aware of your child's reaction to their new environment and will be sensitive to their feelings. After enrolling your child at FIRST PRESBYTERIAN CHURCH - EARLY CHILDHOOD PROGRAM, your child may visit and be introduced to his/her new teacher. This will also give you an opportunity to get to know the teachers and staff involved in the care of your child prior to their first day.

Separation anxiety is common and your child may resist being left at FIRST PRESBYTERIAN CHURCH - EARLY CHILDHOOD PROGRAM in the beginning. However, after several days, drop-off becomes easier. We suggest that after you do the necessary signing in and walking your child to class, simply give your child a hug and assure them that you will return for them that afternoon to pick them up - Then leave. Prolonging your departure could cause more anxiety for your child. We encourage parents to call any time during the day to see how their child is adjusting. If needed, the director will be happy to provide additional suggestions for a smooth and enjoyable transition into the school environment for both you and your child.

This handbook will help you understand our center goals and policies. Our guidelines are all designed to make sure that each child receives the best education possible. Please look over the information given, so that you are familiar with our operation and guidelines. Please sign the Acknowledgement form and return to office for your child's record.

We are looking forward to another great year and we are so pleased you are with us!

Best Wishes,

Carrie Reed  
Director

A copy of this accident report, signed by the teacher in charge at the time of the accident, will be provided to you and a copy filed with the Director's office. We ask that you sign the copy provided to you and return it to the Director's office to confirm that you were notified of your child's injury. If your child happens to be injured by another child, we ask you to please respect the child's privacy by not asking us to reveal the name of the child. It not only puts our staff in an awkward situation but could cause a confrontation between our families. We will handle any and all behavior problems in a professional and appropriate way.

There is a "Photo Release form" (page Z-14) with your paperwork giving us permission to take your child's picture or include them in short video footage.

### **MONTHLY TUITION AND REGISTRATION FEES AND POLICIES:**

It is our philosophy that clients are paying for the spot their child will take in our center. This is not based upon attendance but rather on a set monthly fee that is due regardless of the attendance habits of the child who has the spot. A child will not be considered officially enrolled until the registration fee is paid in full. This amount is due before school begins in September and again in January. REGISTRATION FEES ARE NON-REFUNDABLE. Monthly statements will be given at the beginning of every month. The tuition is due by the 10<sup>th</sup> of every month. Payment received after the 10<sup>th</sup> will be accessed an additional \$25.00 late fee. An additional fee of \$10.00 will be added for each week the payment is late. A \$25.00 fee will be charged for all returned checks. For your convenience, the tuition may be paid by semester or monthly.

**RECIEPTS AND STATEMENTS:**

Receipts are available upon request. Annual statements for tax and accounting purposes are available upon request for all accounts with a zero balance.

**CHILD ABUSE REPORTING POLICY:**

The State of Texas requires that FIRST PRESBYTERIAN CHURCH - EARLY CHILDHOOD PROGRAM and all members of childcare institutions be on the lookout for, and report to the State and appropriate authorities any and all suspected cases of abuse to a child.

At FIRST PRESBYTERIAN CHURCH - EARLY CHILDHOOD PROGRAM our center and staff are mandatory reporters of Child Abuse. All incidents or suspected incidents will be turned over directly to the Child Protective Services for investigation. We are not allowed to do our own investigation and are required by law to report anything of a suspicious nature. It is advised that clients make the staff aware of any lingering bruising or other visible injury to minimize suspicion of possible child abuse or endangerment.

The following steps are to be taken if a staff member is suspected of child abuse:

- A staff member who has a situation or investigation pending should immediately notify the Director or most senior leadership staff member in the building.
- The person who suspects abuse should bring it to the attention of the Director or most senior leadership staff member in the building.
- The supervisor will check on the complaint and if they agree that there may be abuse, the supervisor will report the incident to Child Protective Services and our State licensing authority.
- We will then follow their advice regarding whether or not to suspend the staff member

If a staff member is founded in a case of child abuse, we will take the following steps:

- We will allow the staff member to appeal the decision
- The Director or an appointed member of the leadership staff will meet with the individual to go over the incident and form an opinion as to its validity and/or consequences to the Center and the individual.
- Based on the advice of our licensing agent, we will either suspend the staff member or allow them to continue their job until the appeal is completed.
- The staff member will meet with the Director or an assigned member of the leadership staff during this time and steps will be taken to ensure that there won't be any problems.

If after the appeal the decision is still founded, we will take one of the following steps based on the advice of our licensing agent:

- The staff member will be terminated from their position at the Center, or
- We will inform the parents that we have a staff member who has a founded child abuse on record. We will also let the parents know what the charge was.

**INSURANCE REQUIREMENTS:**

FIRST PRESBYTERIAN CHURCH - EARLY CHILDHOOD PROGRAM complies with the minimum insurance coverage as suggested by our independent agent. For more information concerning policies and liability see management.

**ADDITIONS AND CHANGES:**

FIRST PRESBYTERIAN CHURCH - EARLY CHILDHOOD PROGRAM reserves the right to edit or adapt the policies in this handbook as the needs arise. The center will make all changes and additions available at the time these changes are made. Clients and customers will be notified of these changes through the normal written communication system of the center at the time they are made effective.

# FIRST PRESBYTERIAN CHURCH – EARLY CHILDHOOD PROGRAM

## DISCIPLINE POLICY

We believe that children need limits in order to feel secure about themselves and their environment. The purpose of discipline is to help children learn acceptable behavior and develop self control. The basis for our Discipline Policy is an organized classroom and prepared staff members. At FIRST PRESBYTERIAN EARLY CHILDHOOD PROGRAM we strive to develop a positive relationship between the teacher and the child. We also believe that if an interesting and challenging program is offered to the child, then discipline problems are at a minimum. **If inappropriate behavior does occur, we begin with a positive approach.**

### According to licensing rules for child care centers in the state of TEXAS:

**Rule 1240-4-6-.09, (2) Behavior Management and Guidance.** (Insert Your State's Law here)

- (a) Attention spans and skills of children shall be considered so that caregivers do not require behavior of children which is developmentally inappropriate.
- (b) Discipline shall be reasonable, appropriate, and in terms the children can understand.
- (c) Praise and encouragement of good behavior shall be used instead of focusing upon unacceptable behavior only.
- (d) Punishment that is shaming, humiliating, frightening, verbally abusive, or injurious to children shall not be used.
- (e) Punishment shall not be related to food, rest or toileting.
- (f) Spanking or any other type of corporal punishment is prohibited. ("Corporal punishment" is the infliction of bodily pain as a penalty for behavior of which the punisher disapproves.)

### The following is considered unacceptable behavior:

Running in the classroom	Leaving the area or group without permission
Becoming disruptive	Removing shoes or other articles of clothing
Throwing toys, rocks, sand	Using toys and materials inappropriately
Aggressive behavior	Using toys and materials inappropriately
Abusive, or inappropriate language	Arguing with team members or other children
Lack of Cooperation	Behavior determined by the director to be unacceptable
Hurting themselves or others, such as hitting, biting, spitting, kicking, and pulling hair	

### The teacher has these prime responsibilities when dealing with inappropriate behavior:

- 1) **Redirection** - Encourage child's good behavior and/or redirect his or her activity.
- 2) **"Time out" or "think time" within their area**
  - A) If a problem still exists, the child is then removed from the situation
  - B) One minute per year of age, no more than three minutes after the child has regained control or composure.
  - C) "Time out" or "think time" shall be defined as an area away from the group or activity yet within their area.
  - D) The child will be allowed to return to the group as soon as possible.
  - E) The teacher will not only decide if the child is ready to return, but will encourage him/her to be ready.
  - F) If redirection and "time out" / "think time" periods are not sufficient, staff members intervene as soon as possible to prevent physical or emotional injury.
  - G) The teacher will try to help the child identify his/her unacceptable behavior and possible alternatives
- 3) **"Time out" or "think time" away from the group**
  - A) If the child continues in the inappropriate behavior
  - B) And/or the "time out" / "think time" with-in the area becomes either inappropriate or ineffective
- 4) **Behavior Report**
  - A) If the child's behavior continues to be inappropriate
  - B) OR the severity denotes an un-resolved problem.
- 5) **Behavior Intervention Meeting**
  - A) If the child's behavior continues to be inappropriate, a behavior intervention meeting may take place
  - B) Those in attendance will be the parents, the child's lead teacher, and a member of the leadership team
  - C) This may be called by any of the individuals listed above.

**6) Sending a child home**

- A) When the child becomes out of control
- B) And/or when the child fails to respond to the measures taken by the **FIRST PRESBYTERIAN CHURCH EARLY CHILDHOOD PROGRAM** Team
- C) This is at the discretion of the most senior Leadership Team member present

**7) Suspension**

- A) Three written behavioral reports within a nine week period constitute the child's being suspended from the child care program for one week.
- B) Behavior Intervention Meeting - During this time the parent or guardian, the lead teacher and a member of the leadership team will meet in an attempt to determine if the child is capable of drastically changing his/her behavior to allow re-entry into the program. This is the mandatory behavior intervention meeting described in the Behavior Intervention Policy.
- C) Fees will still be paid for this week to retain the child's space in the **FIRST PRESBYTERIAN CHURCH EARLY CHILDHOOD** program.
- D) If the child does continue in the program and does receive a fourth behavioral report within a 30 day period, termination of services may occur.

**8) Termination of services**

- A) When the severity of a problem is great enough that it could endanger the safety of the child(ren)'s welfare
- B) Termination may be effective immediately after consulting the most senior Leadership Team member present
- C) The parent or guardian will be notified.
- D) The Center considers this to be a drastic measure and would not resort to such unless the child's behavior significantly and directly threatens the physical or mental health, safety or well-being of one or more of the other children or team members and, that threat cannot be eliminated.

**In addition to the above, the center will use three methods to track behavior and communicate with parents.**

- 1) Daily Reports – a parent/center communication format that does not count as a written behavior report. If the teacher deems necessary, a copy will be kept on file.
- 2) Observation Form – an inner center documentation of observed inappropriate or challenging behavior. These may be filled out at any time by any center team member and are used solely to track behavior patterns. These are to be turned in daily to the lead teacher over the student and then to the leadership team for filing.
- 3) The “Behavior” Report – These are the “Incident Forms” and are duplicate. The original is filed in the child's file and the copy is given to the parent. These are pre-approved by a leadership team member. Each “Behavior” Report counts as one of the three that would result in suspension.

**FIRST PRESBYTERIAN EARLY CHILDHOOD PROGRAM** expects parental involvement and cooperation in all aspects of discipline. Failure to comply can warrant termination. We reserve the right to discontinue work with any child/parent whose needs we cannot meet. The key to effective discipline is consistency. We try to be as consistent as possible in all areas. We provide the child with a warm and loving atmosphere in which to grow and learn.

## **FIRST PRESBYTERIAN CHURCH EARLY CHILDHOOD PROGRAM BEHAVIOR INTERVENTION POLICY**

At **YOUR CENTER NAME**, our vision is to provide the best education to the most children possible. We strive to help every child be successful and to achieve their highest potential. We implement the Behavior Intervention Policy when needed to ensure this happens.

The basis for our Discipline Policy is an organized classroom and prepared staff members. At **YOUR CENTER NAME** we strive to develop a positive relationship between the teacher and the child. We also believe that if an interesting and challenging program is offered to the child, then discipline problems are at a minimum. **If inappropriate behavior does occur, we begin with a positive approach.**

A Behavior Intervention Meeting may be called in three different manners:

1. The primary teacher or a member of the Leadership Team may call for a Behavior Intervention Meeting at any time prior to the third disciplinary action as they deem necessary.
2. Either parent may call for a Behavior Intervention Meeting at any time prior to the third disciplinary action as they deem necessary.
3. A Behavior Intervention Meeting is mandatory after the third Discipline Note.

Under the first two scenarios, our first goal will be to determine and identify the behavioral difficulties that the child is having. The child's primary teacher will document the circumstances surrounding the behavior and the current actions that are being taken to correct this. Parents will then be asked to provide information concerning any changes in the home and will give input if they have noticed this behavior and what actions they are currently taking to correct it. A plan of action will then be discussed and agreed upon by all members present. If problems continue, an additional intervention will be scheduled.

The approach will vary slightly in the case that a mandatory Behavior Intervention Meeting has been called after the third discipline note. Our first goal will be to determine if our program is appropriate for the needs of the child. Services will be terminated if it is determined that we cannot meet the child's needs in our program. We will follow the steps listed above if we determine our program is appropriate for the child's special needs.

In addition to the above, the center will use three methods to track behavior and communicate with parents.

1. Daily Reports – a parent/center communication format that does not count as a written behavior report. If the teacher deems necessary, a copy will be kept on file.
2. Observation Form – an inner center documentation of observed inappropriate or challenging behavior. These may be filled out at any time by any center team member and are used solely to track behavior patterns. These are to be turned in daily to the lead teacher over the student and then to the leadership team for filing.
3. The "Behavior" Report – These are the "Incident Forms" and are duplicate. The original is filed in the child's file and the copy is given to the parent. These are pre-approved by a leadership team member. Each "Behavior" Report counts as one of the three that would result in suspension.

**YOUR CENTER NAME expects parental involvement and cooperation in all aspects of discipline. Failure to comply can warrant termination. We reserve the right to discontinue work with any child/parent whose needs cannot be met.**

The Behavior Intervention Policy's purpose is to establish procedures for the parents, lead teacher, and a member of the leadership team to utilize when planning to meet the needs of the child(ren) with unacceptable or inappropriate behavior. A parent, the child's lead teacher and a member of the leadership team will be in attendance at a Behavior Intervention Meeting and agree in advance on the time and date.

## **FIRST PRESBYTERIAN CHURCH EARLY CHILDHOOD BITING POLICY**

Biting is a common and a developmentally appropriate behavior in young children, especially from 9-30 months. Generally, children over the age of 3 have developed more appropriate ways to communicate. Experts in the field of child development report that biting occurs chiefly as a result of a child's incapacity to communicate. Children may become upset by a new experience and may bite as a response. While biting during the toddler years is developmentally appropriate, it is upsetting to parents and caregivers when it occurs, the goal of our policy is to replace the child's undesirable behavior with more effective way of communication and to ensure the health and safety of everyone in our program. The following is a plan of our pre-emptive strategies:

- For infants and toddlers, positive teething activities will be provided to comfort and soothe their gums.
- When children bite out of frustration or anger, behavior will be redirected to some other activity and/or will be shown an alternate way to communicate what they want. We will encourage the use of language to express wants and needs.
- Parents will be notified if their child is bitten at school. However, in order to protect the privacy of all our families, parents will not be informed of the biter.
- If a child bites frequently, staff will utilize a more intensive approach which involves carefully observing the child to determine precipitating events and maintaining a log to help track the behavior. Conferences with parents may also be utilized to discuss the child's actions at home, search for outside resources, etc.
- Biting incidents will be communicated to the parents of the biter to ensure staff and parents are working together to understand and prevent this behavior.

In order to ensure the safety of all children, if all attempts to stop chronic biting fail, we reserve the right to remove the biting child from the program.

# **FIRST PRESBYTERIAN CHURCH EARLY CHILDHOOD PROGRAM FIRST AID/MEDS POLICY**

FIRST PRESBYTERIAN CHURCH EARLY CHILDHOOD PROGRAM daily designates someone to be the "First Aid/Meds staff. The First Aid/Meds staff will always be reachable by phone or radio. This staff will be responsible for any injuries or illnesses, administering medications and keeping the First Aid room in order and well stocked. The First Aid/Meds staff will take the following steps to ensure the health and welfare of all children in our care.

## **Sending a Child Home**

When it has been determined that a child must go home, the procedures are as follows:

1. Notify the parent.
2. If the parents are unable to be reached, proceed by contacting someone on the emergency pick-up list.

## **Sick Child**

1. Assess the child. Question him/her as to where the problem is located.
2. Take the child's temperature.
3. The child must be sent home with a temperature of 100°F. or higher.
4. A judgement call may be made if evidence of an illness is present but is not accompanied by a high temperature.

## **Injury w/ Blood**

1. Take precaution by first applying a protective barrier between you and the wound, i.e. rubber gloves, zip lock bag, etc.
2. Assess the area to determine whether the wound will require stitches, or a bandage.
3. If stitches are required, first notify the on-site supervisor and then the child's parents. Clean only the area around the wound.
4. If stitches are not required, thoroughly clean and disinfect the wound using hydrogen peroxide.
5. All contaminated materials (gloves, blood soaked paper or cloth) shall be disposed of by being sealed in a plastic bag and thrown in the waste container for diapers. This container is to be emptied into a waste receptacle outside the building as needed or at least twice every 24 hours. Contaminated clothing that is to be sent home must be double sealed in a plastic bag and then put in the container for soiled clothing.

## **Injury w/o Blood, Head Injury**

1. Assess the area to locate any abnormal bumps or bruises.
2. Apply an icepack to the injured area.
3. If the head injury is suspected to be more severe, notify the child's parent and alert a teacher to watch for fixed, glossy, or dilated pupils for 30 minutes following the injury.

## **Broken Bones**

1. If a broken bone is suspected, assess the area to locate any swelling or abnormality of the bone structure. Do not force movement.
2. Apply an icepack to the injured area.
3. If further assessment causes suspicion that a bone may be broken, contact the child's parent as soon as possible.

### **Bite Marks**

1. Assess the child to locate the area of the bite.
2. Disinfect the area of the bite with hydrogen peroxide.
3. Apply an icepack to the injured area.

### **In an emergency**

1. Contact the on-site supervisor.
  2. Instruct a team member to call 911, as well as the child's parents.
- Attend to the child by following proper first aid or CPR guidelines while awaiting paramedics.

### **Head Lice**

1. Confirm with the on-site supervisor that nits or lice are present. Quarantine the child immediately.
2. Follow procedures on sending a child home. Notify the pick-up person that the child must be properly treated before returning.
3. All sheets, blankets, and sleep toys in the affected room must be bagged and washed. Suggest to the parents that they do this as well.
4. A complete head lice check must take place in the affected room, as well as in the rooms of any siblings.
5. The child must be checked for re-entry into the Center.
6. It is the parent's responsibility to present the child to a Leadership Team member or the First Aid/Meds person for inspection. Failure to do so will result in overtime charges to be in effect from the time the child is clocked in until they are picked up by a parent, or the parent has been notified and the child cleared by the appropriate person.

### **Contagious Disease**

1. Parents are required to notify the Center when a child contracts a contagious disease. These include, but may not be limited to, chicken pox, conjunctivitis, 5<sup>th</sup> disease, impetigo, measles, scarlet fever, ringworm, etc.
2. In the case that a child contracts a contagious disease, a health alert will be posted on the sign-in counter and by the door of the affected room.
3. This alert will include a brief description of the disease, date that the Center was notified, and the date that it was posted.
4. The child may return to the Center as stated by the health alert.

## **MEDICATION:**

### **Receiving and Storing Medication**

1. An "Authorization to Give Medication" form, filled out in its entirety, must accompany all medication received by the Center
2. All medication must be in its original bottle or container.
3. Medication mixed in a bottle with formula or in any other manner is not to be accepted.
4. All non-prescription medication must be labeled with the child's first and last name and the date that it was received.
5. Non-prescription medication requiring administration for longer than one week must have a doctor's note approving the length of use. That note may be good for a maximum of six months.
6. Long term prescription medication must have an "Authorization to Give Medication" form. This form must be updated every 30 days. We must have a doctor's note for all prescription medications, with the medication not to exceed six months. The prescription bottle may fulfill this requirement, as long as it is current.

### **Administering Medications**

When medication is authorized to be administered, five "rights" must always be observed, and are as follows:

1. Right Patient – Question the teacher and child to confirm that you have the correct child.
- 2-3. Right Drug and Right Dosage – Compare the medication bottle to the "Authorization to Give Medication" form to confirm proper administration and to insure that the medication has not expired. Do not exceed the dosage on the bottle unless a doctor's note is present verifying the dosage amount.
4. Right Time – Refer to the "Authorization to Give Medication" form for the time to be given. Medication may be given one-half hour before or after the stated time.
5. Right Route – When medication is administered, be certain that it is applied to the correct area or given in the correct manner, i.e. eye drops to eye, ear drops to ear.

### **Disposing of Medication**

1. When the duration for administration of medication is up, as noted on the "Authorization to Give Medication" form, the empty bottle (after being washed out) should be placed in the child's bucket.
2. In the case that the medication is not emptied, it should stay in the First Aid room and a note sent to the parents.
3. The note will notify the parents that the unused medication will be discarded if it is not picked up by a designated date.
4. All medication must be discarded through the sewer system.

### **Recording Information**

1. All incidents must be recorded the correct forms as needed, i.e. "Authorization to Give Medication", "Incident Report".
2. All information must be specific as to the degree of temperature, cause of injury, location and type, i.e. ¼ inch cut on right index finger. Finger got cut on a toy.
3. Any injury causing a mark constitutes an incident report. The report will be complete with all information surrounding the injury. One copy of the report will go to the child's bucket and the original to the child's file.

## Guidelines: When a Child Can Return

These guidelines are recommended by the American Academy of Pediatrics and the American Public Health Association. These guidelines will be observed unless your child has a doctor's release that specifically re-admits them to the center prior the guidelines listed.

<b><u>Fever Free:</u></b>	Must be fever free for 24 hours with the exception of an ear infection. In case of an ear infection, the child may return after treatment of antibiotics has started.
<b><u>Vomit Free:</u></b>	Must not have vomited for 24 hours.
<b><u>Uncontrolled Diarrhea:</u></b>	Defined as an increased number of stools compared with the child's normal pattern, with increased watery stool and/or decreased formed consistency that cannot be contained by the diaper or toilet use. The child cannot return until he/she has had normal stools for 24 hours. If a child is on a medication that causes diarrhea, we need a doctor's note for the file (which we can keep for further reference) and if the child is teething, we can allow the child to continue coming to the Center at that time (if it is determined this is the cause of the diarrhea).
<b><u>Conjunctivitis (Pink Eye):</u></b>	24 hours after documented treatment for conjunctivitis has begun.
<b><u>Mouth Sores:</u></b>	Must have a doctor's note stating that the child is non-infectious.
<b><u>Rash:</u></b>	With any rash accompanied by a fever or behavior change, the child cannot return until they have a doctor's note stating that the illness is not a communicable disease.
<b><u>Infestations (e.g. head lice, scabies):</u></b>	Cannot return until 24 hours after appropriate treatment has begun and has to be checked by the First Aids/Meds person before re-entering.
<b><u>Tuberculosis:</u></b>	Must have a doctor's note stating that the child is non-infectious.
<b><u>Impetigo:</u></b>	Cannot return until 48 hours after treatment has begun.
<b><u>Strep Throat:</u></b>	24 hours after documented treatment has been initiated.
<b><u>Varicella (Chicken Pox):</u></b>	Cannot return until 7 days after onset of rash or until all lesions have dried and crusted.
<b><u>Shingles:</u></b>	Child needs to be excluded only if the sores cannot be covered by clothing or a dressing, until the sores have crusted.
<b><u>Whooping Cough:</u></b>	Cannot return until 5 days of appropriate treatment has been started.
<b><u>Mumps:</u></b>	Cannot return until 9 days after onset of swelling of glands near the ear.
<b><u>Hepatitis A:</u></b>	Cannot return until one week after the onset of illness or until after immune serum globulin has been given to the appropriate children and team members in the program as directed by the responsible health department staff.
<b><u>Measles:</u></b>	Cannot return until 6 days after the rash appears.
<b><u>Rubella:</u></b>	Cannot return until 6 days after the rash appears.
<b><u>Ringworm:</u></b>	Cannot return until 24 hours after starting treatment or a doctor's note saying non-infectious.

# FIRST PRESBYTERIAN CHURCH - EARLY CHILDHOOD PROGRAM EMERGENCY PLANS

## FIRE AND BOMB THREAT EVACUATION PROCEDURE:

There will be a long continuous blast from the fire alarm. Children will be evacuated according to the diagram posted in each room or as directed by the police. Children younger than 24 months of age, who have limited mobility or who otherwise, need assistance will be placed in the rolling cribs to be evacuated from the building. If the weather is too cold/hot for the children to be outside for an extended period of time, they will go to the designated evacuation site, Turner Elementary School. In the case of an actual fire or bomb threat, teachers will take a head count and keep their children calm, in the contained area, out of the way of emergency vehicles and personnel until the children are released to their parents. In the event the designated evacuation site is unsafe or unavailable the center will notify Pasadena Police Department and/or local radio/TV stations. Parents should listen to the designated stations for information. An attempt will be made to call and inform parents if this is possible.

## FIRE EXTINGUISHER USAGE: P.A.S.S

**P**ull the pin/ **A**im at the base of the fire/ **S**queeze the level slowly/ **S**weep from side to side

## TORNADO AND EARTHQUAKE PROCEDURE:

Notification of a tornado or earthquake will be made. The center keeps a weather radio on alert at all times. Children will be evacuated according to the diagram posted in each room. If the children are inside, everyone should take cover under desks, tables or in tornado safe area (as shown on the diagram posted in each room). If children are outside, they need to move away from the building. If there is structural damage to the building, the children will be taken to the designated evacuation site, Turner Elementary School. In the case of an actual tornado or earthquake, teachers will take a head count and keep their children calm, in the contained area until it is deemed safe for the children to be released.

## BAD WEATHER AND POWER FAILURE PROCEDURE:

If Pasadena Independent Public Schools are closed for the day due to inclement weather, FIRST PRESBYTERIAN CHURCH - EARLY CHILDHOOD PROGRAM will also close. Parents should call the center prior to dropping off their children. If the cities Public Schools dismiss early due to a bad weather, parents are required to come as quickly and safely as possible to pick up their children. As ratios allow, FIRST PRESBYTERIAN CHURCH - EARLY CHILDHOOD PROGRAM will start sending members of the staff home according to those that lives the farthest away. If the parents cannot come to pick up their child, a ratio sufficient number of the staff, including an on-site supervisor, will stay with the children for as long as necessary. The team will provide activities for the children to participate in until their parents arrive. In the case of a power failure, FIRST PRESBYTERIAN CHURCH - EARLY CHILDHOOD PROGRAM will notify the parents and ask them to pick up their children as quickly as possible. If evacuation due to power failure is deemed necessary, the children will be taken to the designated evacuation site, Turner Elementary School. The only exception to this policy will be in the event that flood warnings are issued for Southeast Harris County, which include Pasadena, Deer Park & La Porte. Regardless of PISD's decision, the Early Childhood Program will NOT have school that day.

## CHEMICAL SPILL EVACUATION PROCEDURE:

In the case of a chemical spill, the children will be evacuated in the same manner as a fire drill. If the area near the center is considered unsafe, children will be loaded into bus/vans and in staff member's vehicles and take them to an area deemed safe by the authorities. Information will be given to the police and then local Radio or Television station to have them notify the parents of our location.

## INTOXICATED PARENT PROCEDURE:

If an intoxicated parent comes to pick up his/her child, center staff will try to detain the parent. The on-site supervisor will contact another person on the emergency list and request that they pick up the child. The on-site supervisor will then tell the intoxicated parent of the pick up plan. If the center staff is unable to contact another pick up person, the child must be allowed to leave with the parent. The parent would be informed that the police and child protective services will be called to inform them of the incident.

## INTRUDER PROCEDURE:

If an unknown individual gains access to the property/building, a staff member would see if they could be of assistance. This staff member should determine if the individual is an intruder and try to get them to leave the property. During this time, another staff member would then use the designated code to alert other team members in the building and to contact the police. If possible, children will be taken to a designated area in the building. Staff would then proceed as directed by the police. An attempt will be made to try and keep in contact with the all staff members who are taking care of the children to keep them apprised of the situation.

Staff members who approach alleged intruders should refrain from putting themselves, the children or other staff member in an endangering situation. If the situation becomes hostile they should try to escape or do what the individual asks until the authorities arrive. The remainder of the staff will be insuring the safety of the children and will respond accordingly.

## LOST OR ABDUCTED CHILDREN PROCEDURE:

One team member would alert the on-site supervisor for assistance with the search while the other team members stayed with the other children. If the child is not found, the center would contact the parent and then the police. Staff would then proceed as directed by the police.

In the event of Evacuation, the Director/Supervisor in charge will assure the following procedures take place:

- The Teachers in each classroom are responsible for the students under their supervision and should take attendance, accounting for each child by that day's sign in sheet. Children who are unaccounted for are to be reported to the Director immediately.
- The Director will bring the Emergency Medical Consent binder/student emergency contact phone numbers and cell phone.
- Once all children and staff are accounted for, we will walk to the designated location, Turner Elementary. The route is shown on the attached diagram. Should our evacuation site be destroyed as well, we will transport the students to the closest designated shelter according to local emergency authorities.
- Upon arrival to the appropriate site, the director/supervisor in charge will contact the parents, state licensing department, and all local authorities via cell phone as to the safety and location of the children. In the event all phone communications are down, the emergency system of the church building will automatically dispatch the Pasadena Police Department. We will notify the officer where we will transport the children.

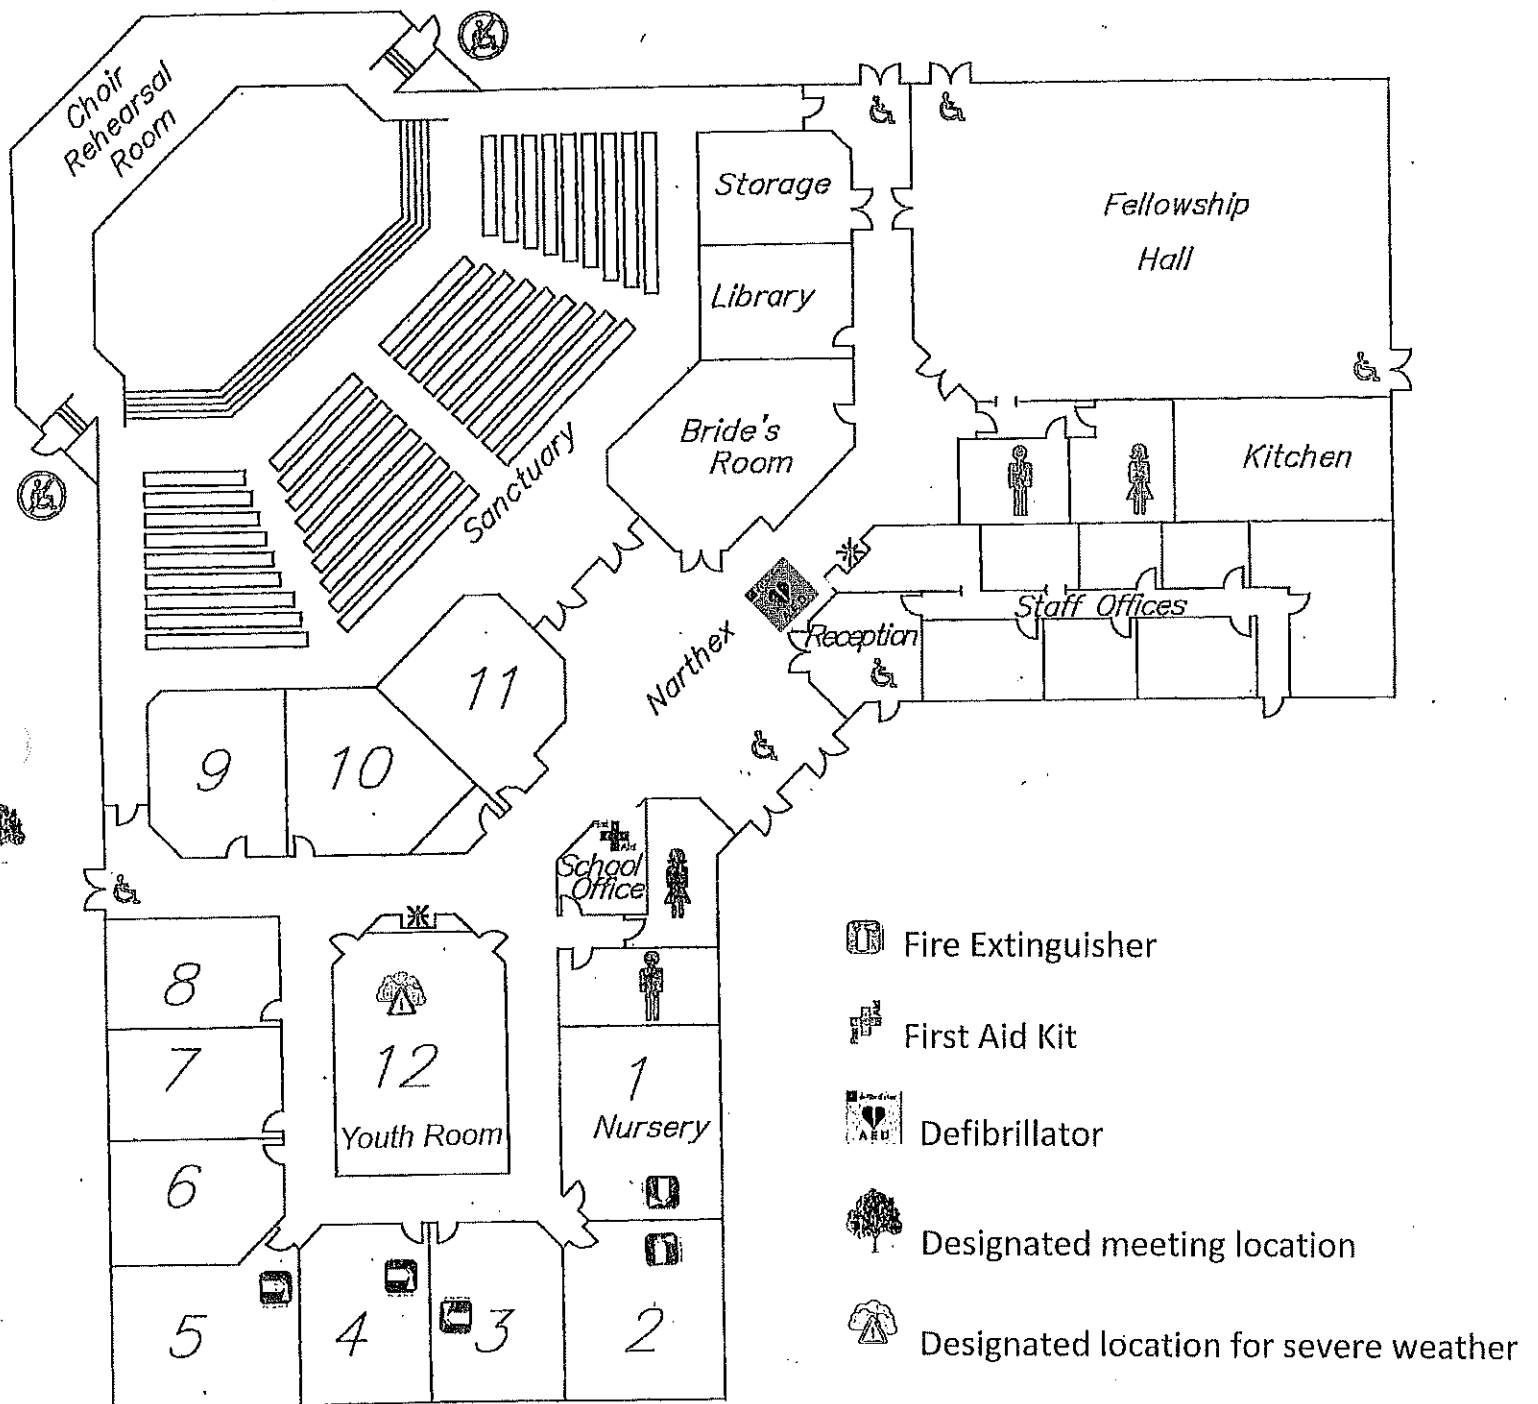

**IN ALL DRILL OR EVACUATION PROCEDURES, ALL STAFF MEMBERS IN ROOMS OR AREAS WITH NON-AMBULATORY OR INFANT CHILDREN SHOULD PUT ALL CHILDREN IN A STROLLER OR CRIB WITH WHEELS AND WHEEL THEM OUT OF THE BUILDING.**
