Scripture Reading Jeremiah 31:31-34

The days are surely coming, says the Lord, when I will make a new covenant with the house of Israel and the house of Judah. It will not be like the covenant that I made with their ancestors when I took them by the hand to bring them out of the land of Egypt -- a covenant that they broke, though I was their husband, says the Lord. But this is the covenant that I will make with the house of Israel after those days, says the Lord: I will put my law within them, and I will write it on their hearts; and I will be their God, and they shall be my people. No longer shall they teach one another, or say to each other, "Know the Lord," for they shall all know me, from the least of them to the greatest, says the Lord; for I will forgive their iniquity, and remember their sin no more.

First Presbyterian Church of Pasadena In-Church Worship Protocols

For at least the next year, we anticipate our lives will be shaped by the timeline set by COVID-19. We face difficult choices between conflicting needs, wants, and imperatives. We anticipate that we will be continuously evaluating what worship and all other church functions look like.

Despite our best efforts to provide a safe worship experience, conditions may again require the closing of the building. The pastor, in consultation with church leaders, will use CDC, Harris County, and PCUSA guidelines and good judgment to determine how to promote safety in reopening FPCP while actively monitoring local transmission rates of COVID-19. To preserve the health of our members, if circumstances change and worshipping together is not wise, services will again be virtual only.

We recognize that some of our members have underlying health issues or risk factors. Their health and safety must be at the forefront of our considerations. Persons with a high morbidity risk from COVID-19 are urged to stay home and continue to worship virtually. We will nonetheless strive to promote safe, in-person worship experiences for all that do not discriminate against persons with disabilities or high-risk conditions.

Church Physical Set Up:

- Doors will be left open so no one has to touch a door handle. This includes the designated entry door [the front door under the porte-cochere] and the doors into the sanctuary.
- No-Touch Hand Sanitizer dispensers will be installed in the Narthex.
- Offering plates will be placed by the baptismal font.
- Pews will be marked so people space themselves safely and avoid contact.
- Hymnals, Bibles, friendship folders, offering envelopes, Kleenex, etc. will be removed from pews.
- Signs will be posted that only one person at a time is to be in the restroom and additional signs will be posted to wipe handles touched with sanitizing wipes.
- The Church kitchen will remain closed.
- Signs encouraging hand washing and mandating face mask use (covering nose and mouth) will be posted in the Narthex.
- Signs encouraging social distancing will be posted in the narthex as well as the sanctuary.
- Sanitizing wipes will be available as needed.
- Gloves will be available in the Narthex and at the back of the church.
- One microphone per speaker will be set up.
- Camera will be set up to provide option of live streaming the service

Worship Procedures

- **Everyone in the building and on the church grounds must wear a cloth or medical mask.** Members are strongly encouraged to bring their own. We may have some available, while supplies last. Individuals uncomfortable wearing a face mask or with a medical condition that makes wearing a mask problematic may continue to participate in our on-line services.
- Social distancing of a minimum of six feet must be observed at all times, with the exception of members who live in the same household.
- Non-contact infrared thermometers will be used to take temperatures upon entry. Anyone with a temperature of 100.2 and higher will not be allowed into the building.
- Names of worshipers will be recorded as they enter to keep track of who has been part of the worship experience in the event that they need to be contacted.
- Greeters will be asked to stand back a minimum of six feet and welcome folks verbally.
- Bulletins and announcements will continue to be available online for the live streamed service.
- Bulletins will not be distributed to participate in the service in the sanctuary. Information will be projected on the screens at the front of the sanctuary.
- We will present shortened services to minimize risk.

Worship Procedures continued...

- Live streaming on YouTube or recorded services will continue for those who are not comfortable returning to 'in-person' worship
- Soloist may sing from behind a three-sided plexiglass shield.
- There will be no congregational or choral singing. It has been determined that singing is among the riskier behaviors for spreading droplets/aerosols which can carry the virus a significant distance and remain suspended in the air.
- Worshipers will leave by row, as directed.

Other Changes to Normal Practices

- Online (ZOOM) continues for Brown Bag, Session and ministry meetings, PW, Book Group, Wonderful Wednesday, etc.
- Office open by appointment. As on Sundays, masks required for staff and visitors.
- Forego November celebration of communion.
- Use of building by outside groups remains suspended.
- Congregants who are sick or who have had close contact with a person who has tested positive for COVID-19 are to stay home.
- Local health officials will be contacted if a person diagnosed with COVID-19 has been in the church and this information also will be communicated with members so they are aware of potential exposure. The Clerk of Session, with the assistance of the church office, will be responsible to make the communications.
